

Name	:	Kailash Chand Pandey
Designation	:	Scientist E
Date of joining in ICMR	:	6 Oct.2015
Educational Qualification	:	Ph.D in Biotechnology M.Sc. in Biochemistry Diploma in Chemical Processing Instrumentation & Control P.G Diploma in Bio-chemical technology B.Sc. (Hons) in Biochemistry
Award/ Fellowship/ Membership	:	<ul style="list-style-type: none"> • Prof. Ramalingaswami Fellowship by Department of Biotechnology, Govt. of India, 2010-2016. • National Eligibility Fellowship for Lectureship/Assistant Professorship in Biochemistry by Agriculture Scientist Recruitment Board, Govt. of India, 1998. • Traveling grant by International Society of Protistologists for a joint meeting of the international society of Protistologists, University of KENT, Canterbury, 18-23 July, 2010, UK. • Outstanding scientist in the field of Biochemistry by Venus International Foundation, 2015. • Bharat Excellence Award in the field of Protein Chemistry by Friendship Forum of India, 2015. • Traveling grant by Indian Council of Medical Research for 14th International Congress of Parasitology (ICOPA-2018). • Traveling grant by Council of Scientific and Industrial Research for 14th International Congress of Parasitology (2018). • Nominated member of American Chemical Society, 1155 Sixteenth Street, N.W, Washington, DC, 20036, 2016-2018. • Member of the Malaria Journal Club organized by University of California San Francisco, and University of California Berkeley, 2005-2008, USA. • Member of Bay Area Malaria Meeting organized by University of California San Francisco, University of California Berkeley and Stanford University, 2005-2008, USA.
Foreign Visits	:	<ul style="list-style-type: none"> • Session chair & Keynote speaker at 14th International Congress of Parasitology (ICOPA-2018), August 19th-24th, Daegu, South Korea. • Invited talk at Molecular Parasitology meeting XIII, Marine Biological Laboratory, Woods Hole, MA, USA, Boston, Sept. 2017.
Specialization /Thrust Area	:	<ul style="list-style-type: none"> • Proteases as drug targets for malaria, proteins functions, Diagnosis tools for infectious diseases

Publications	:	<ul style="list-style-type: none"> • Rahul Pasupureddy†, Atul†, Sriram Seshadri, Veena Pande, Rajnikant Dixit, Kailash C Pandey* (2018), Current Scenario and Future Strategies to Fight Artemisinin Resistance.
