

ADVERTISEMENT FOR POSITION IN THE INDO-RUSSIAN RESEARCH PROJECT

Applications for the post of Senior Research Fellow (SRF), reserved for OBC, are invited from eligible candidates for the Indo-Russian adhoc research project entitled "**Development of quantum dots based nano-biosensors for detection of circulating cell-free miRNAs in environmental associated lung carcinogenesis**" under the supervision of **Dr. Pradyumna Kumar Mishra**, ICMR-National Institute for Research in Environmental Health, Bhopal. The applications in prescribed format (downloadable from www.nireh.org) along with relevant documents should be submitted up to **30th July 2018**. List of candidates shortlisted for interview/written test along with date and venue of the interview/written test will be displayed on website of ICMR-NIREH, Bhopal in due course of time. The candidates without essential qualifications/experience, applications not submitted in prescribed format and applications submitted by e-mail will not be entertained. Candidates for interview/written test will be shortlisted on merit and mere fulfillment of essential qualification does not confer the right to the applicant to be called for interview/written test. In case of non-availability of suitable OBC candidate, the post will be filled up with other category candidates.
